Parish Mission Statement

*As missionary disciples, filled with the joy of]
the Gospel, our parish proclaims an ongoing
encounter with Jesus Christ through Word,
community, Sacrament and loving service.*

Definition of a parish by Pope Francis: “The parish is the presence of the Church in a given territory, and environment for hearing God’s word, for growth in the Christian life, for dialogue, proclamation, charitable outreach, worship and celebration. In all its activities the parish encourages and trains its members to be evangelizers. It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a centre of constant missionary outreach.” —*The Joy of the Gospel, Paragraph 28*

SEVEN KEY THEMES OF CATHOLIC SOCIAL TEACHING

1. *Sacredness of life and the dignity of the human person*
2. *Call to family, community and participation*
3. *Human rights and the responsibility to protect them*
4. *Preferential option for the poor and vulnerable*
5. *Dignity of work and the rights of workers*
6. *Solidarity with all people as one global family*
7. *Stewardship and care for God’s creation*

Scripture Reflection

Nineteenth Sunday of Ordinary Time

August 7, 2022

Wisdom 18:6-9; Hebrews 11:1-2, 8-19; Luke 12:32-48

“Faith is the realization of what is hoped for and evidence of things not seen.”

Faith. Abraham had faith to leave his homeland to go where God told him. He had faith to take his son Isaac up and offer him as a sacrifice. God rewarded Abraham’s faith by sending an angel to stop him from killing Isaac and providing a ram instead. Isaac went on to have 12 sons. The Israelites had faith that they would be rescued from slavery in Egypt. God rewarded the Israelites’ faith by sending Moses and the 10 plagues on Egypt which led to the Exodus and their freedom to the promised land.

Jesus tells His followers to be prepared because we never know when He will return. We must have faith. “Blessed are those servants whom the master finds vigilant on his arrival.” We need to be living our lives in a way that shows we are ready for His return.

Jesus is our master. We love Him. We need to put Him first in our lives. Go to Mass weekly. Pray daily. Pray the Rosary. Go to Reconciliation.

We must love our neighbor. We need to take care of them. Provide them food, water, and shelter. Comfort. Friendship. Our neighbors are everyone. Not just those who look like us or live on our street or go to our church. Offer up our joys, sorrows, prayers, and works for those souls still in Purgatory.

Jesus said there were two commandments: love the Lord your God and love your neighbor as yourself. If you’re vigilant with these commandments, you will be following the other 10 as well. Think about it. The first three are covered in the first part and the other seven are in the second part. Living vigilantly, you’ll be ready for Jesus to return. At least as ready as any of us can be. We’re all called to be saints. Faith says we can do it.

Christian Life

WE'RE ALL PART OF
GOD'S PLAN(ET)

GODSPLANET.US

Laudato Si': "Every intervention in nature can have consequences which are not immediately evident, and that certain ways of exploiting resources prove costly in terms of degradation..." "The Earth's resources are ... being plundered because of short-sighted approaches to the economy, commerce and production." "The ecosystems of tropical forests possess an enormously complex biodiversity which is almost impossible to appreciate fully, yet when these forests are burned down or leveled for purposes of cultivation, within a space of few years countless species are lost and the areas frequently become arid wastelands." (LS #41, 32, 38)

Reflection: The disfiguring of the Earth is attributed to the excessive and unrestrained human intervention into the geological and biological processes and functioning of the planet. Never before in the Earth's human history has the Earth and its life been assaulted, exploited and plundered to such an extent, magnitude and manner as in the last two centuries. Such human intervention, unequalled by the last five thousand years of human interaction with the natural world combined, has been the most destructive of human presence since the beginning of human history. We do not realize that it is God's creation that we are destroying, the creation that Christ wanted to make new and bring to fullness.

Action: We need to develop a sensitivity that is mindful and respectful of creation. Assess environmental and local community impact of human projects. Replace cut down trees. Minimize use of polluting devices, equipment, and consumer goods. Make use of solar power. Legislate laws and put in place ordinances and policies that protect the environment and natural resources.

Prayer: *Praise to you, Lord, God of all creation. For through your goodness, you filled the Earth with all the resources we need. May we, who depend on them, be filled with appreciation and gratitude so that we may look after your creation and preserve it. Amen.*

*(Taken from Laudato and Si, Living Laudato Si'
by Manny Bautista.)*
