Constitution of Our Mother of Sorrows Stewardship & Development Council

As Christian stewards, we receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord.

(U.S. Bishops' Pastoral Letter on Stewardship).

WHAT IS HOLISTIC STEWARDSHIP?

All that we have are gifts from God (Roman 2:24). God, in turn, asks us to be good stewards of these gifts (1 Peter 4:10). We, as individuals and together as a parish community, are accountable for nurturing these gifts, while generously sharing them with others—family, friends and others in the community and the world (Luke 16:2).

Our parish Stewardship & Development Council continues to hold up the biblical vision of holistic stewardship. It means everything we have is a gift from God. Once a person recognizes that everything I have is gift, then I am called to share some of these blessings with a thankful heart, acknowledging that they come from God including Creation around us, our common home, from whom all blessings flow. Holistic Stewardship is the personal realization and acceptance that everything we have is gift. In gratitude we become aware of the need to give and share. “Stewardship is an expression of discipleship with the power to change how we understand and live our lives.” -Stewardship: A Disciple’s Response Pastoral Letter. Holistic Stewardship is all encompassing. It provides a place for the simplest individual gesture of kindness as well as stewardship unites working for systemic justice and peace... It is, ultimately, the pull of the Gospel coming alive in our times and circumstances. -Bishop’s Statement

According to the Decree on the Apostolate of Lay People, *Apostolicam Actuositatem*: the laity of the parish are “Nourished by their active participation in their liturgical life of their community, they engage zealously in its apostolic works; they draw people towards the Church who had been perhaps very far away from it; they ardently cooperate in the spread of the Word of God, particularly by catechetical instruction; by their expert assistance they increase the efficacy of the care of souls as well as of the administration of goods of the Church” (Section 10).

Everyone has a responsibility to reflect prayerfully the Word of God, to take stock of his or her God-given gifts and willingly return a generous portion of them to the parish, the local community, and the world “and not just listen to [the Word of God] and deceive yourselves” (James 1:22). It is the responsibility of a holistic Stewardship parish to provide an abundance of activities for individual and group involvement to be reassured that “faith, if good deeds do not go with it, is quite dead” (James 2:17).

Ways of practicing Holistic Stewardship:

- demonstrate a commitment to a Stewardship way of life through the leadership of its Pastor, Parish Ministries (Pastoral) Council and other parish leaders,
- warmly welcomes individual participation in parish life,
- exhibits vibrant spiritual, social, loving service and outreach activities, and
- reaches out to the broader community as sisters and brothers.

It is a parish whose members are motivated by the belief that everything is gift (holistic stewardship):

- are motivated by the belief that we are the body of Christ,
- recognize and understand God’s call to be good stewards of all God’s gifts,
- prayerfully and honestly assess the value of these gifts, and responsibly share a proportionate amount of their time, talent, and treasure.
- Our parish promotes the practice of the ideal of the 10% tithe of treasure on gross annual income. In Catholic practice the 10% tithe is broken down into 5% of parishioner’s total tithe being contributed to the local parish and 5% to other charities, for example second collections, etc

When we, parishioners and parish leaders together, accept our inherent responsibility to actively and willingly share our God-given gifts as uniquely manifested in each of us, we become a blessed holistic Stewardship parish.

MISSION STATEMENT

Under the guidance of the Holy Spirit and the leadership of the Pastor, the Stewardship & Development Council will achieve a Holistic Stewardship Parish at Our Mother of Sorrows by engaging parishioners to generously offer their time, talent and treasure as an expression of gratitude in loving service to God for His many gifts while truly living as Disciples of Christ.

ARTICLE 1: Name

The name of this body shall be the Our Mother of Sorrows Stewardship & Development Council; hereinafter referred to as the “Council” at 1800 S. Kolb Rd., Tucson, AZ 85710

ARTICLE 2: Purpose

Section 1. The general purpose of the Council shall be to promote, under the authority of the Pastor, all those activities pertaining to Stewardship as a priority and a way of life at Our Mother of Sorrows Parish. The role of the Council is to vision and implement processes which advocate and promote the continuing spiritual conversion of parishioners. We accomplish this by nurturing our blessings, supporting the practice of holistic Stewardship and recognizing the many ways our members act as good stewards within our parish, school and community.

Relying on the graces poured out to us by the Holy Spirit, through prayer and sacramental living, we on this Stewardship & Development Council promise: first, to embrace intentional discipleship and holistic Stewardship of God's gifts for the purpose of educating, cultivating and empowering the parishioners of Our Mother of Sorrows. And second, to advise the Pastor and the Parish Ministries (Pastoral) Council on the best practices, procedures, policies, and programs that will continuously inspire and promote conversion to discipleship as we “care for everyone according to his need” (Acts of the Apostles 4:32-35).

Section 2. The specific purposes of the Council shall be the following, but not limited to:

- Serve as examples of Stewardship in parish life through collaboration with the Pastor, lay leadership, staff, parishioners and school families by living as a visible

witness to the teachings of Jesus Christ, calling parishioners to the practice of Stewardship as a way of life.

- Promote greater parish involvement by parishioners and school families through collaboration with parishioners and school families, and parish and school staff, in the promotion and maintenance of holistic parish Stewardship.
- Work in tandem with the Parish Pastoral Council and its Commissions in developing and fostering a Stewardship way of life among parishioners and Catholic school families. To provide information and updates about parish stewardship to parish leadership, committees, and to all parishioners, and collaborate with all other standing Commissions and ministries in assessing and meeting the Stewardship needs of the parish and school.
- Develop plans and conduct programs that encourage parishioners to give of their God-given time, talents, and treasures. Promote holistic Stewardship as a priority and a way of life by fostering a sense of belonging and “ownership” of the parish. Inform our parishioners and school families about the spiritual blessings and material benefits to be derived from Stewardship, and to facilitate communication between parish ministries to ensure that parishioners willing to give of their time and talents are matched with the best-fitting ministry.
- To view evangelization – the joy of the Gospel - as essential to Stewardship and to assist with evangelization efforts in the parish to carry out our Apostolic Mission of going forth to “make disciples of all nations; baptize them in the name of the Father and of the Son and of the Holy Spirit, and teach them to observe all the commands I gave you” (Matthew 28:19-20).
- In conjunction with the Parish Ministries Council, we encourage all its commissions, groups, families, and individuals to center themselves in prayer, especially Eucharistic Adoration and “to the breaking of bread” (Acts 2:42).
- To call the parish itself to the practice of Stewardship of its resources; for Christians it is a duty and an honor to give God back a portion of the goods they have received from him (*Apostolicam Actuositatem*, Section 10).
- To draw forth the Stewardship of time and talent of all parishioners through the coordination of an annual Stewardship commitment process of ministries weekend; encouraging the parish and school to use people resource management skills as time/talent commitment cards are received; establishing accountability to contact those who volunteered on their time/talent commitment cards; providing a spiritual gifts discernment process for individuals and the community; and using the results of this discernment to guide disciples toward the best placement for their time and talent through annual events such as a ministry fair.
- To facilitate parish publicity and communications by working with parish staff to maintain current data on all parishioners; encouraging parish communications and interrelations using available channels, and regularly assessing the need for updating the parish census file.
- To draw forth the Stewardship of treasure of all parishioners by working with the parish finance council/commission to identify and share the financial needs of the parish, promote planned giving within the parish community, and promote the parish electronic giving option (EFT) for weekly giving.

- To evaluate holistic parish Stewardship on a regular basis to ensure its viability by measuring the effectiveness of its policies and projects at the end of each fiscal year.

ARTICLE 3: Authority

Section 1. The authority of the Council is derived specifically from the pastoral leadership and authority of the Pastor of Our Mother of Sorrows.

Section 2. The Council shall relate and report occasionally to the Parish Ministries (Pastoral) Council. A member of the Parish Ministries (Pastoral) Council, preferably the Vice President of the Parish Ministries Council, shall be an ex officio, non-voting member of the Council.
