

A PRAYER FOR GUIDANCE

My Lord God, I have no idea where I am going.
 I do not see the road ahead of me.
 I cannot know for certain where it will end.
 Nor do I really know myself, and the fact that I
 think that I am following Your will does not
 mean that I am actually doing so.
 But I believe that the desire to please You does in
 fact please You, and I hope I have that desire
 in all that I am doing.
 I hope that I will never do anything apart from that
 desire.
 And I know that if I do this You will lead me by
 the right road though I may know nothing
 about it.
 Therefore will I trust You always though I may
 seem to be lost and in the shadow of death,
 I will not fear, for You are ever with me, and You
 will never leave me to face my perils alone.

Needs & Questions

- I want to know more and was pleased to hear about this class. It's like a present to have this opportunity to know more and share confused feelings.
- I would like to get God back in my life and want to get my life back on the right track and feel good about myself on the inside.
- I'd like to be updated on the past: 12 years of the changes in the Church and want to know what the Church believes on some of the latest issues.
- I want to know the changes that the Church has gone through in the last 10 years.
- I miss being an active part of the Church.
- I want to learn to pray again.
- I have been away from the Church too long.
- I wish to get closer to God.
- I'm curious about the changes in the Catholic Church.
- I feel so far away from God right now. I want to get closer to god again. I miss confessions and communion so very much.
- How can a Catholic married in the Church, divorced and remarried to a Catholic receive the sacraments, and have the marriage blessed?
- Without the last divorce (or even with it), will God and His Church let me come back? And what do I need to do?

Lord, Show
Us the Way

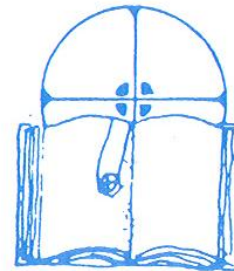

EVALUATION COMMENTS

Strengths of the Series

- The program is based on the individual needs of the group.
- The fact that at this time a program such as this would even be presented
- Non-judgmental acceptance of people and invitation to them to express their feelings.
- A clearer understanding of the changes in the Church pertaining to Vatican II.
- A step by step explanation of the Mass. All questions answered completely.
- Love, education, inspiration.
- A meeting is very powerful and I do not want it to conclude. I'd come ever week if the class continued.
- Good explanation given on points brought up.
- The explanation of the Mass was wonderful; the knowledge gained; getting to know each other.
- Learning about the Mass, confession, and again, the sharing.
- The informal atmosphere. I felt free to ask questions.
- Talking on sacraments; Mass explanation; Vatican II touched on.
- Sitting with mature people and encouraging care for each other.
